

WE MAY HAVE THE
PERFECT CAT
FOR YOUR
BARN OUTBUILDING
OR STABLE

ADOPT A BARN CAT

HELP SAVE A LIFE!

Provide a special cat with a safe, comfortable place to live, food, water and veterinary care, and he or she may return the favor by solving rodent problems safely and naturally.

Barn placement can often be the last option for unsocialized cats in our community who can not live as house pets.

VBAS
Volunteer. Befriend. Adopt. Save.
Serving the Animals of the Burbank Community
